You don't need a bunch of tools
to assemble this item, in fact you
don't need any at all!
What a relief.

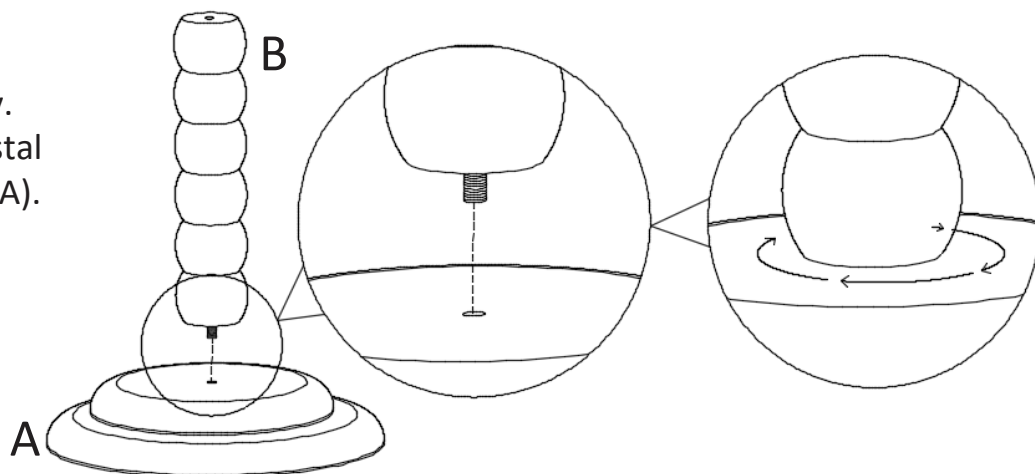

To make sure you don't scratch
your item or your floor, assemble
your item on top of a carpet or
the cardboard it came in.

Component List

Item	Image	Quantity	Item	Image	Quantity
A		1	B		1
C		1	D		1

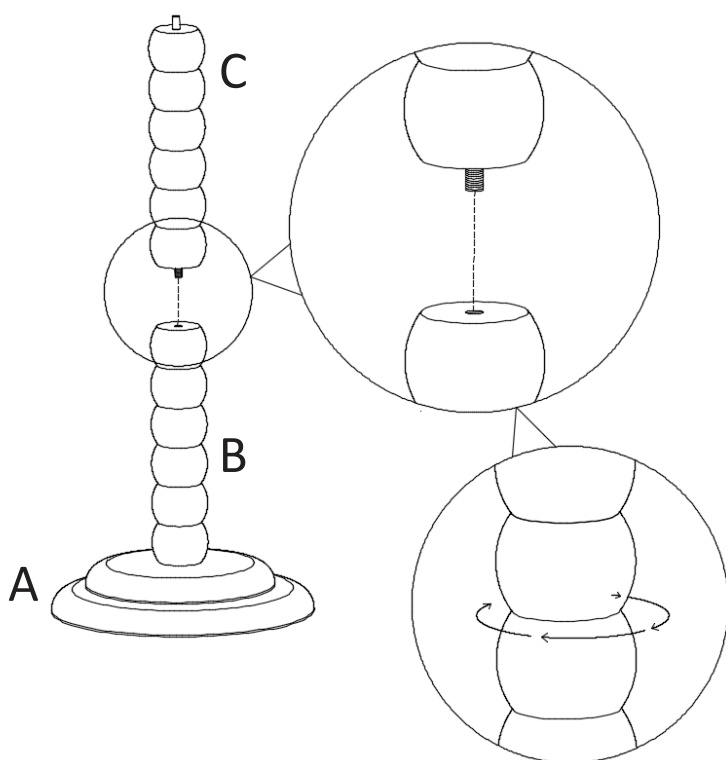

Step 1

Ok, this one's real easy.
Start by twisting pedestal
rod (B) onto the base (A).

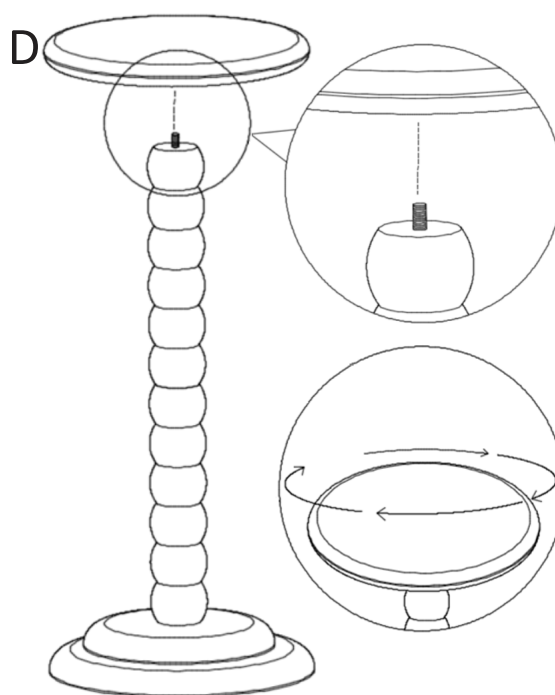

Step 2

Then twist on pedestal rod (C).

Step 3

Finally, twist on the top (D). You'll want
to start slow, but once you get it started,
you can spin that thing like a techno DJ.

Step 4

That's it. You're done! Congratulations,
you deserve a reward. Perhaps a cocktail?
