

WARNING

- \* Switch off the main electrical supply from the main fuse box / circuit breaker before installation.
- \* Inspect item carefully before attempting to install.
- \* If there is any damages or obvious defects, do not install.
- \* Item may not be returned once it has been installed.

CARE AND MAINTENANCE

- \* To clean the outside of the fixture, use a dry or slightly dampened clean cloth (use clean water, never a solvent) to wipe the surface of the fixture.
- \* To clean the inside of the fixture, first disconnect power to the fixture by turning off the circuit breaker or by removing the fuse at the fuse box. Next, use a dry or slightly dampened clean cloth (use clean water, never a solvent) to wipe the interior surface of the fixture.
- \* Do not use any cleaners with chemical, solvents or harsh abrasives. Use only a dry soft cloth to dust or wipe carefully.

NOTICE& IMPORTANT SAFETY INSTRUCTIONS

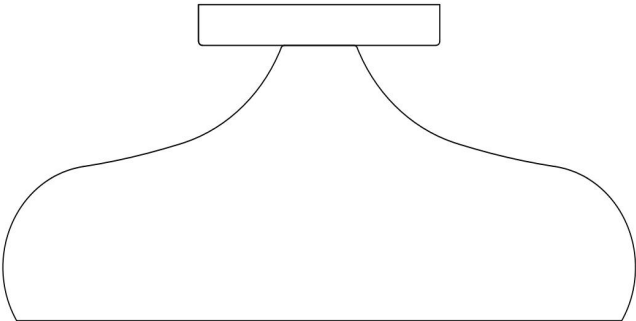

- \*\* WE RECOMMEND INSTALLATION OF THIS LIGHTING FIXTURE BE DONE BY A LICENSED ELECTRICIAN \*\*
- \* Please make sure that you have all parts indicated before you begin assembly of this item
- \* This item should be assembled on a soft surface to prevent scratching the finish during assembly
- \* To reduce the risk of fire, electrical shock or injury to persons or property, please follow the guideline below for safe use and installation
- \*The external flexible cable or cord of this lamp cannot be replaced
- If the cord is damaged, the lamp shall be destroyed

Model#: FLU4096  
Product Dimensions:13.25"L X 13.25"W X 6.25"H

# PREPARATION

- \* Before beginning assembly of product, make sure all parts are present. Compare parts with package contents list and hardware contents list.
- \* If any part is missing or damaged, do not attempt to assemble the product.
- \* Estimated Assembly Time: 20 minutes.
- \* Tools Required for Assembly (not included): Screwdriver, Junction box
- \* If you are having difficulty, our friendly Customer Care team is always here to help. Please email [customersupport@safavieh.com](mailto:customersupport@safavieh.com)

**NOTE: PLEASE USE TYPE"A" BULB MAX 40-WATT OR CFL BULB MAX 13-WATT OR LED BULB MAX 9-WATT, THERE IS 1PC LED 4-WATT BULB IN THE B**

|                                                                                                                                                                                                                                                                                                                                    |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  <p><b>Step 1:</b> Unpack all parts from cartons carefully. Separate the Mounting Plate (B) from the Lamp Body (E) by removing the Retaining Screw (F) anti-clockwise. Fix the Mounting Plate(A) to the junction box with Mounting Screw (B).</p> |   <p><b>Step 2:</b> Wire connection<br/>Connect fixture neutral wire (ribbed) to the outlet box neutral wire (usually white) using a wire connector (D).<br/>Connect fixture hot wire (smooth with markings) to the outlet box hot wire (usually black) using a wire connector (D).<br/><b>CAUTION:</b> Do not reverse the hot and neutral connections<br/>Grounding Instructions:<br/>Wrap ground wire from outlet box around green ground screw(C) on mounting bracket, no less than 2" from wire end. Tighten ground screw. If fixture is supplied with a ground wire, connect to outlet ground wire with a wire connector (D).</p> |
|  <p><b>Step 3:</b> Tuck wires inside junction box. Attach the Lamp Body (E) to the Mounting Plate (A) and secure with Retaining Screw (F).</p>                                                                                                  |  <p><b>Step 4:</b> Insert the Bulb (G) into the Socket.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
