

INSTRUCTION MANUAL

Modern 18" Side Table

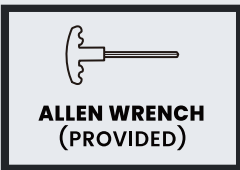

V1.0

! NOTICE

Please keep this instruction for your future reference.

- Be careful when assembly, avoid hurting the table top surface.
- Clean the table with lukewarm water, mild detergent & soft cloth.
- Firmly secure all bolts before use. Do not use any part of this item as a step ladder.
- Reconfirm that all bolts, screws, and nuts are secure every 90 days.
- Do not use or store this item in the proximity of open flame or flammable/combustible chemicals.
- Be aware that some parts are heavy and have sharp edges.
- Do not overtighten screws. (Insert all screws before tighten screws.)
- Please do not exceed the weight limitations of this item.

TABLE LEG I

2 PCS

C

TABLE LEG II

2 PCS

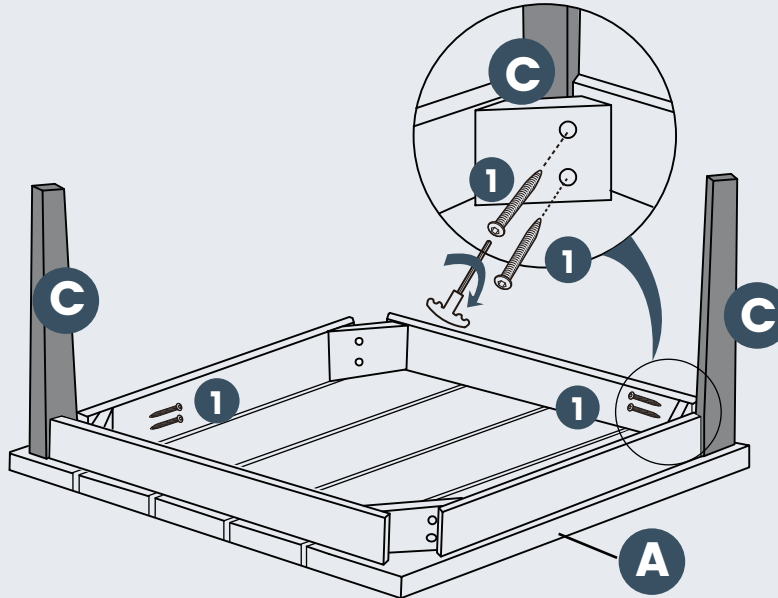

PRODUCT ASSEMBLY

1

Place **Part A Table Top With Apron** upside down, onto soft surface like carpet to avoid damaging the table top surface.

Attach **Part C Table Leg II** to **Part A Table Top With Apron** with 4 pcs of **Hardware #1 Screw**.

Pay attention that the legs are facing each other diagonally as below.

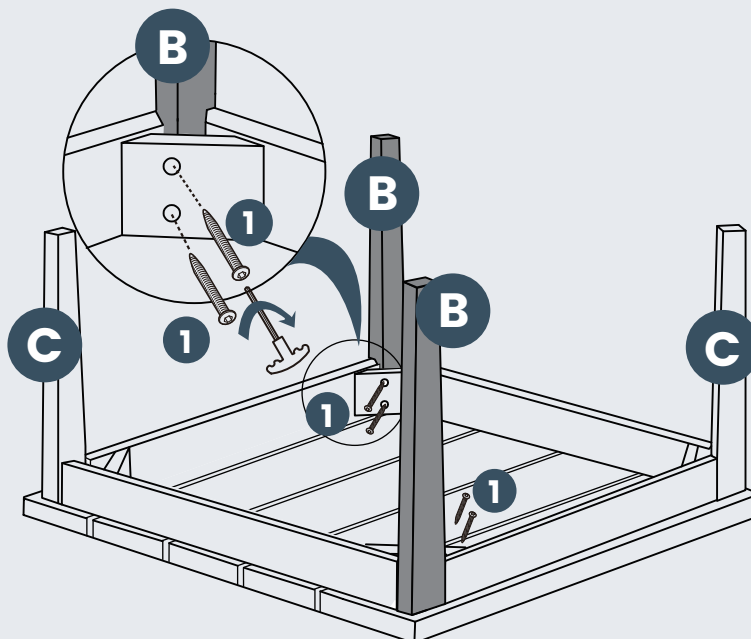

ATTENTION:

The two pairs of legs have different holes for assembling. Try the other pair of legs if you find the holes don't match.

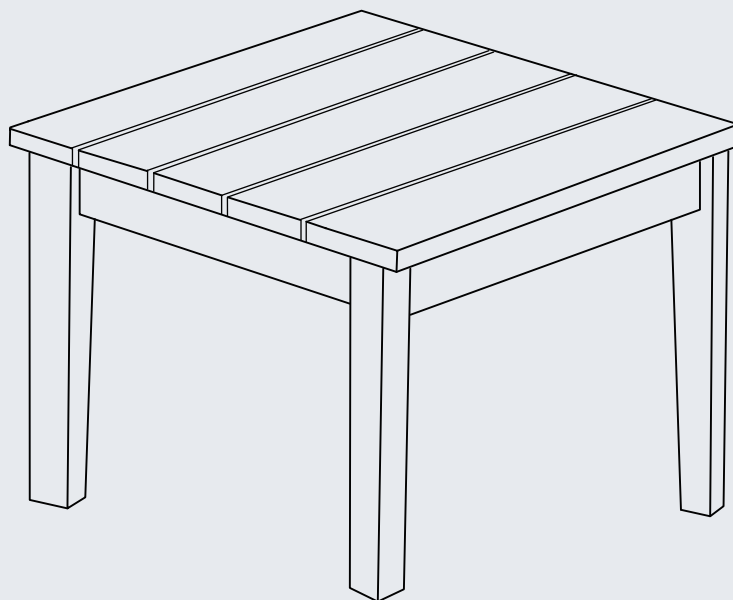

2

Attach **Part B Table Leg I** to **Part A Table Top With Apron** with 4 pcs of **Hardware #1 Screw**.

3

Tighten all the bolts again to ensure this table is stable enough to use.

CLEANING TIPS

REGULAR CLEAN: Use a mixture of warm water and mild soap. Gently scrub the surface with a soft bristle brush to remove any dirt or stains.

QUICK CLEAN: You can simply wipe down the furniture with a damp cloth.

Regular cleaning not only preserves the aesthetic appeal of your furniture, but also helps extend its lifespan.
